

Printing date 25.09.2014 Revision: 15.02.2011

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

· Product identifier

· Trade name: Paper pulp products

· Relevant identified uses of the substance or mixture and uses advised against

· Article category AC8 Paper articles

· Application of the substance / the mixture Production of packaging, paper and cardboard

· Details of the supplier of the safety data sheet

· Manufacturer/Supplier:

OAO "SOEMZ"

Address: 141503, 1 Butirsky, tupik, Solnechnogorsk, Moscow region, Russia

· Emergency telephone number: Contact person: Kotov Alexander Telephone no.: 8 (916) 692 33 88 Fax no.: 8 (495) 994-04-97

E-mail address: molderfiber.russia@gmail.com

#### SECTION 2: Hazards identification

- · Classification of the substance or mixture
- · Classification according to Regulation (EC) No 1272/2008

The product is not classified according to the CLP regulation.

- · Classification according to Directive 67/548/EEC or Directive 1999/45/EC Not applicable.
- · Information concerning particular hazards for human and environment:

The product does not have to be labelled due to the calculation procedure of the "General Classification guideline for preparations of the EU" in the latest valid version.

· Classification system:

The classification is according to the latest editions of the EU-lists, and extended by company and literature data.

- · Label elements
- · Labelling according to Regulation (EC) No 1272/2008 Void
- · Hazard pictograms Void
- · Signal word Void
- · Hazard statements Void
- · Other hazards

The product does not contain any organic halogen compounds (AOX), nitrates, heavy metal compounds or formaldehydes.

- · Results of PBT and vPvB assessment
- · PBT: Not applicable.
- · vPvB: Not applicable.

### SECTION 3: Composition/information on ingredients

- · Mixtures
- · Description: Paper pulp products
- · Dangerous components: Void
- Additional information: For the wording of the listed risk phrases refer to section 16.

#### SECTION 4: First aid measures

- · Description of first aid measures
- · General information: No special measures required.
- · After inhalation: A nuisance dust that may cause respiratory irritation
- · After skin contact: Generally the product does not irritate the skin.
- · After eye contact: Generally the product does not irriate eyes

(Contd. on page 2)

Printing date 25.09.2014 Revision: 15.02.2011

Trade name: Paper pulp products

(Contd. of page 1)

- · After swallowing: Undetermined but generally considered non-toxic
- · Information for doctor:
- · Most important symptoms and effects, both acute and delayed No further relevant information available.
- · Indication of any immediate medical attention and special treatment needed

No further relevant information available.

### **SECTION 5: Firefighting measures**

- · Extinguishing media
- · Suitable extinguishing agents: Water
- · Special hazards arising from the substance or mixture No further relevant information available.
- · Advice for firefighters
- · Protective equipment: Wear fully protective suit.

#### SECTION 6: Accidental release measures

- · Personal precautions, protective equipment and emergency procedures Ensure adequate ventilation
- · Environmental precautions: No special measures required.
- · Methods and material for containment and cleaning up: Dilute with plenty water.
- · Reference to other sections

See Section 7 for information on safe handling.

See Section 8 for information on personal protection equipment.

See Section 13 for disposal information.

#### **SECTION 7: Handling and storage**

- · Handling:
- · Precautions for safe handling No special measures required.
- · Information about fire and explosion protection: No special measures required.
- · Conditions for safe storage, including any incompatibilities
- · Storage
- Requirements to be met by storerooms and receptacles: No special requirements.
- · Information about storage in one common storage facility: Not required.
- · Further information about storage conditions: None.
- · Specific end use(s) No further relevant information available.

#### SECTION 8: Exposure controls/personal protection

- · Additional information about design of technical facilities: No further data; see item 7.
- · Control parameters
- · Ingredients with limit values that require monitoring at the workplace:

The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

- · Additional information: The lists valid during the making were used as basis.
- · Exposure controls
- · Personal protective equipment:
- · General protective and hygienic measures:

The usual precautionary measures are to be adhered to when handling chemicals.

· Respiratory protection: Not required.

(Contd. on page 3)

(Contd. of page 2)

# Safety data sheet according to 1907/2006/EC, Article 31

Printing date 25.09.2014 Revision: 15.02.2011

Trade name: Paper pulp products

#### · Protection of hands:

Protective gloves

Due to missing tests no recommendation to the glove material can be given for the product/ the preparation/ the chemical mixture.

Selection of the glove material on consideration of the penetration times, rates of diffusion and the degradation

#### · Material of gloves

The selection of the suitable gloves does not only depend on the material, but also on further marks of quality and varies from manufacturer to manufacturer.

· Penetration time of glove material

The exact break through time has to be found out by the manufacturer of the protective gloves and has to be observed.

| SECTION 9: Physical and ch           | X X   |
|--------------------------------------|---|
| Information on basic physical and    | chemical properties                           |
| General Information<br>Appearance:   |   |
| Appearance.<br>Form:                 | Solid   |
| Colour:                              | According to product specification            |
| Odour:                               | Not determined                                |
| Odour threshold:                     | Not determined.                               |
| pH-value:                            | Not determined.                               |
| Change in condition                  |   |
| Melting point/Melting range:         | Data not available                            |
| Boiling point/Boiling range:         | Undetermined.                                 |
| Flash point:                         | Not applicable.                               |
| Flammability (solid, gaseous):       | Not applicable.                               |
| Ignition temperature:                |   |
| Decomposition temperature:           | Not determined.                               |
| Self-igniting:                       | Product is not selfigniting.                  |
| Danger of explosion:                 | Product does not present an explosion hazard. |
| Explosion limits:                    |   |
| Lower:                               | Not determined.                               |
| Upper:                               | Not determined.                               |
| Vapour pressure:                     | Not determined.                               |
| Density:                             | Not determined.                               |
| Relative density                     | Not determined.                               |
| Vapour density                       | Not determined.                               |
| Evaporation rate                     | Not determined.                               |
| Solubility in / Miscibility with     |   |
| water:                               | Insoluble.                                    |
| Partition coefficient (n-octanol/wat | er): Not determined.                          |
| Viscosity:                           |   |
| Dynamic:                             | Not determined.                               |

(Contd. on page 4)

Printing date 25.09.2014 Revision: 15.02.2011

Trade name: Paper pulp products

(Contd. of page 3)

· Other information

No further relevant information available.

#### SECTION 10: Stability and reactivity

- · Reactivity No composition if used according to specification
- · Chemical stability Stable under recommended storage conditions
- Thermal decomposition / conditions to be avoided: No decomposition if used according to specifications.
- · Possibility of hazardous reactions No dangerous reactions known.
- · Conditions to avoid No further relevant information available.
- · Incompatible materials: No further relevant information available.
- · Hazardous decomposition products: Hazardous decomposition products formed under fire conditions

### SECTION 11: Toxicological information

- · Information on toxicological effects
- · Acute toxicity:
- · Primary irritant effect:
- · on the skin: No irritant effect.
- · on the eye: No irritating effect.
- · Sensitization: No sensitizing effects known.
- · Additional toxicological information:

When used and handled according to specifications, the product does not have any harmful effects to our experience and the information provided to us.

#### SECTION 12: Ecological information

- · Toxicity
- · Aquatic toxicity: No further relevant information available.
- · Persistence and degradability No further relevant information available.
- · Behaviour in environmental systems:
- · Bioaccumulative potential No further relevant information available.
- · Mobility in soil No further relevant information available.
- · Additional ecological information:
- · General notes: Generally not hazardous for water
- · Results of PBT and vPvB assessment
- · **PBT**: Not applicable.
- · vPvB: Not applicable.
- · Other adverse effects No further relevant information available.

#### **SECTION 13: Disposal considerations**

- · Waste treatment methods
- · Recommendation Smaller quantities can be disposed of with household waste.
- · Uncleaned packaging:
- **Recommendation:** Disposal must be made according to official regulations.

| SECTION 14: Transport information     |             |      |
|---------------------------------------|-------------|------|
| · UN-Number<br>· ADR, ADN, IMDG, IATA | N/A<br>Void |      |

## **SECTION 15: Regulatory information**

- · Safety, health and environmental regulations/legislation specific for the substance or mixture No further relevant information available.
- · Chemical safety assessment: A Chemical Safety Assessment has not been carried out.

### SECTION 16: Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship
